SHIPPING

- **Commissioning:** You can conveniently commission your shipments through the DHL Paket interfaces.
- **Posting / collection:** You can post your Warenpost International shipments at a retail outlet or in the bulk mail acceptance office of your mail center. It is of course also possible to have your shipments collected.
- **Delivery:** Benefit from our international postal network of strong partners.

TAILORED SHIPMENT OPTIONS FOR YOUR WARENPOST INTERNATIONAL SHIPPING

Warenpost International

The affordable alternative for sending small-format goods abroad. Shipment and delivery always by the most affordable method without tracking and liability.

Warenpost International Premium

The premium product for sending your small-format goods. Shipment and delivery always by the fastest method. End-to-end tracking including liability for numerous destination countries.¹

Easy shipment request process

- Take advantage of the numerous options offered by DHL Paket, such as the 'dispatch' function in the Deutsche Post & DHL Business Customer Portal or your own software
- Benefit from standardized processes for all your national and international goods dispatch.

GoGreen²

With the GoGreen service, shipment of parcels is 100% climate-neutral. DHL invests the fee paid by the customer for this service in climate protection projects.

Returns

For Warenpost items that cannot be delivered, DHL will arrange the return to the original sender address. A return fee² is charged for this service.
